Loose Neighbourhood Plan Consultation

Thank you to everyone who attended any of the recent neighbourhood plan consultation events and to those who have already completed the consultation survey. **Have you had your say?**

Your contributions will help to ensure the plan is a real community one.

Read more information on our website at:

<https://www.loose-pc.gov.uk/loose-neighbourhood-plan>

We know there are a lot of documents to read so if you prefer you can now view the presentation slides on our website via the above link. They summarise “What?”, “Why?” and “How to get involved?” along with the vision and an outline of the policies.

The direct link to the survey form is here:

<https://www.surveymonkey.com/r/LooseReg14>

Have your say before the consultation closes on
23 October 2026.

Do contact us if you have any queries and we will arrange for a Loose Neighbourhood Plan Working Group member to come back to you.

This is a **COMMUNITY** plan so we would like as much **COMMUNITY** feedback as possible – please share these details with your friends, family and neighbours in Loose. Thank you!
