Loose Parish Council (LPC) – Keeping you updated

Issue No. 47

14 July 2025

Dear residents,

Unfortunately more roadworks will be affecting Loose residents in the coming weeks - here are the dates and reasons given to us.

TODAY 14 July - Emergency repair of metalworks just inside Cripple St near the barbers (should be finished by 5pm.)

Tomorrow night 15 July 7pm-midnight the road markings will be repainted at the A229/Boughton Lane/Cripple St junction.

11 August - Further gas works required in Cripple St /Teasaucer Hill. WCB will be carrying these out on behalf of SGN and have a licence, if required, up to 31 August, but they hope to complete quicker if they can. Residents in Saxon Way and the roads off Broadoak Ave and Westwood Rd will have to exit via Loose Rd only - no access through to Tovil.

Planned dates can be subject to change should emergencies arise elsewhere. If we are advised of anything we will pass on the update.

Do contact us if you need any further information or have any queries or concerns on any other matter in Loose.

Kind regards,

Nicky

**Nicky Bourne**
